

Since 1965, Big Brothers Big Sisters of Sheboygan County has matched over 20,000 youth with caring, supportive mentors in our communities.

These kids have the potential to change the world. And we are standing together to defend it.

JOIN US. Visit bbbssc.org to learn how you can do something big for kids today.

**BECOME A BIG.
FOR KIDS' SAKE.**

**HELP
TODAY.**

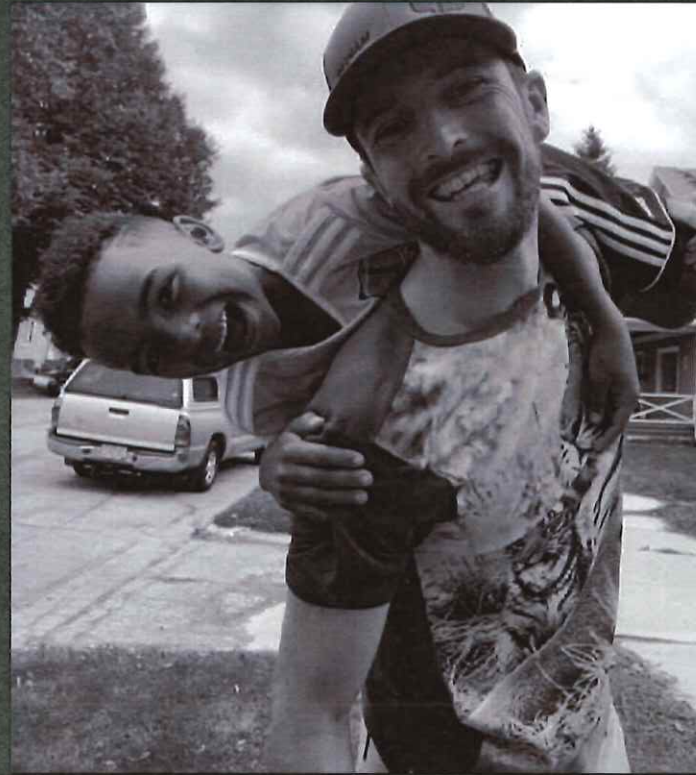

bbbssc.org

Big Brothers Big Sisters intentionally matches children with trusted adults in a one-to-one mentoring friendship. Throughout the lifespan of these friendships, Littles are introduced to new places, people, and things that help them envision new possibilities for their future.

Our research shows that after they've been matched for one year, Littles' self-confidence increases, their grades go up, and they are less likely to engage in activities that limit their future success.
