### Company History:

Old Wisconsin Sausage started in 1942 in Sheboygan, WI by Frank Thielmann and William Stolzman. Our first plant facility was opened in 1953 and the company name was changed to Thielmann's Old Wisconsin Sausage Company. The company was then purchased by Carl Buddig & Company in 1981 and our name was officially changed to Old Wisconsin Sausage Company. Our new state-of-the-art facility opened in 2016 and we continue to build from our foundation by following a traditional and hand-crafted approach to sausage making.
