

# Make your impact felt today and well beyond.

Imagine an organization where you're empowered to treat all who need assistance, regardless of means. To provide quality, patient-centered, holistic care—and build caring relationships. To master innovations that make a profound difference within our halls, throughout our community, and into the future.

All of these aspirations are within your reach at Hospital Sisters Health System, a multi-institutional health care system serving communities throughout Illinois and Wisconsin. Become part of our team in a wide array of areas and enjoy an experience beyond belief.

HSHS is pleased to offer a comprehensive total rewards package designed to serve the overall needs of our colleagues and their families. For more details about HSHS benefits, please visit [benefits.hshs.org](http://benefits.hshs.org).

# Finding a career with HSHS is as easy as

# 1 - 2 - 3!

## 1. Go to hshs.org

To access our careers page, you can either go to hshs.org and find the “Careers” tab (pictured right, or go directly to [www.hshscareers.com](http://www.hshscareers.com).

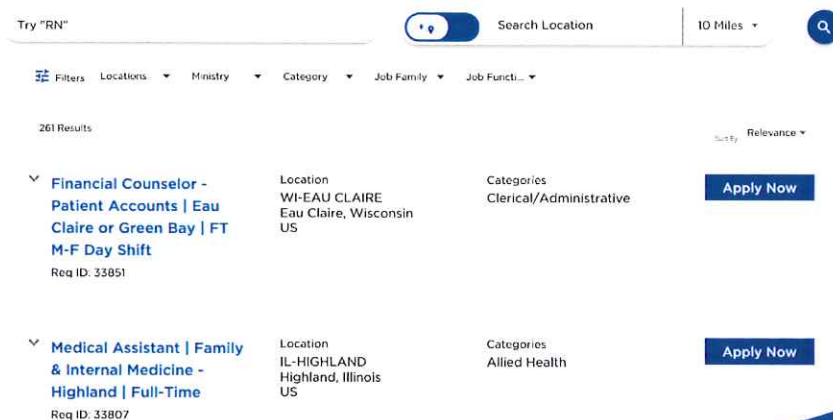

Both paths will take you to the careers page.

An experience beyond belief.

## 2. Search for jobs

Click “Search Jobs” and you will be taken to the main Careers search page (pictured below). From there you have the option to enter keywords for jobs and locations you are interested in viewing.

## 3. APPLY!
