

Eck Industries, Inc.

Now Hiring

2rd & 3rd Shift General Labor

\$17.67 To Start, \$19.76 After 90 Days

- Eck Industries is a growing, ISO 9001 certified, privately-owned, family business with over 70 years of experience in the aluminum foundry industry. Eck excels in light-weight, high temperature aluminum alloys, and in complex castings.
- With a foundation of quality, Eck delivers aluminum castings to customers in the military, hybrid vehicles, commercial trucking, aerospace, medical, industrial and energy markets.
- Eck Industries is known for innovation and developing methods to cast challenging alloys and components.
- We are currently looking for individuals to join our growing team. We currently have a number of open positions in the various areas of the plant.
